

LUNA Beads are for women who treasure their sensuality. A discreet and wholly body-safe alternative to traditional exercise aides of this nature, LUNA Beads work to strengthen the vaginal wall and PC muscles through effective Kegel exercising. When worn, they deliver movement-induced vibrations that cause the muscles to contract, ensuring a comfortable and convenient workout that fits every routine. This promises an array of health benefits, improving muscular control for women of all ages, while revealing the pleasures that caring for your body will bring.

FEATURES	BENEFITS
Pelvic Floor Discreet Fitness Aides	LUNA Beads offer an efficient PC muscle workout when worn during a variety of activities; running, walking, swimming – even sitting – will instigate reflexive PC muscle contractions, resulting in an exercise routine that can be consistently followed with minimal effort.
Useful for Women of All Ages	Toned PC muscles increase circulation to the pelvic region and neuromuscular control to avoid urinary incontinence, aid in prenatal preparation and postpartum recovery, as well as increased sensitivity to stimulation and easier achievement of orgasm.
Completely Body-Safe	LUNA Beads are made from ABS plastic with a girdle that is made from FDA-approved silicone – both are latex and phthalate-free for complete peace of mind.
Effective, Self-Tailored Routine	LUNA Beads are comprised of two 28 gram and two 37 gram beads, that allow users to choose the amount of resistance that is right for them, and to build this resistance over time.
Hygienic and Easy-To-Clean	LUNA Beads and the included girdle are made from non-porous materials that can be easily and effectively cleaned of surface bacteria.
LELO Quality Standards	FDA-approved body-safe silicone and ABS Award-winning packaging Full 1-year warranty.
